Your feedback

1. **Initial consultation undertaken earlier this year informed us that environmental stewardship, parking/traffic controls and infrastructure maintenance were the top three priorities for the Council to focus on.**

Do you feel this budget supports these priorities?

Yes

No

2. **Do you feel Council has balanced the budget fairly between funding new projects and supporting existing service levels?**

Yes

No

Do you think our key activities (community programs, infrastructure maintenance, services) funded within the budget reflect what's important to our City?
