

1. Survey Intro Page

Community Survey

City of Prospect provides a range of facilities, services, activities and events for its community and visitors.

Council is committed to the principles of accessibility and inclusiveness for people with a disability which include, fundamental human rights, responsibility and autonomy, individual worth and dignity and participation in social and economic life.

Disability access and inclusion planning, means the programed removal of barriers which might preclude people with a disability and/or their carers from accessing any of City of Prospect facilities, services, activities and events.

Your participation in this important public survey, will contribute to the development of Council's Disability Access & Inclusion Plan (DAIP).

Please feel free to promote this survey among family, friends, colleagues, networks and to other relevant stakeholders within the Council area.

Hard copies of the survey are also available at Payinthe 128 Prospect Road, Prospect or via Council's website <https://www.prospect.sa.gov.au/>
