

PROSPECT GARDENS / NARNU WIRRA PLAYSPACE UPGRADE - REVISED PLAN (V2)

LOCATION PLAN

LEGEND

- Existing trees
- New pine trees
- New lights
- Furniture: BBQ, seats, bins, picnic setting.
- Logs/rocks

- 1 Entry gate is set back from the road.
- 2 New active area on a rubber surface with fitness equipment for kids and adults including monkey bars, chin up bars and parallel bars.
- 3 New cubby house with a slide.

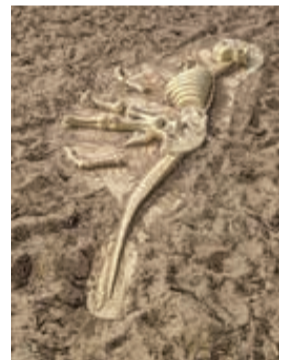

- 4 Existing shelter.
- 5 Reinstate the family gathering area with lawn for picnics and add a new accessible kids picnic area with log seats and talking tubes.

- 6 New bridge to cross the 'lava' (red mulch in the garden bed).
- 7 New double swing with a regular seat and a toddler seat.

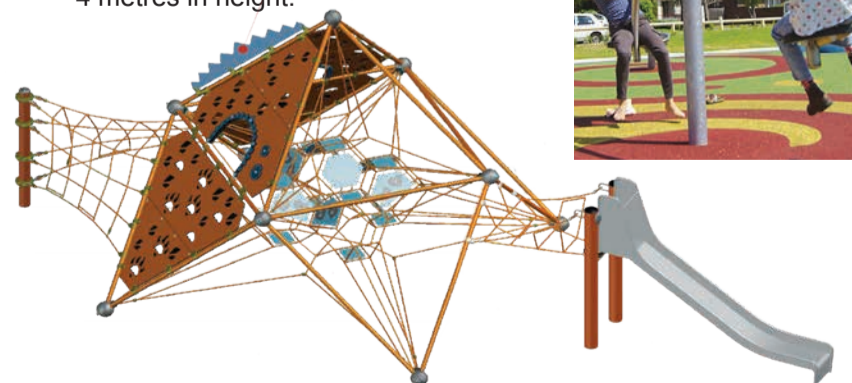

- 8 New sandpit* with a digger and a dinosaur discovery element.
*Please note dogs off leash will not be allowed in this area. The dog off-leash area is in the south-west corner of the precinct and will be fenced.

- 9 'The floor is lava' theme with red mulch in the garden beds that is the 'lava' and stepping logs throughout to avoid stepping on the 'lava'. There are dinosaur elements to discover in the garden beds, including dinosaur eggs.

- 10 Older kids play elements including dinosaur themed equipment** and spinning seesaw.
**The dinosaur equipment is suitable for a range of ages including older kids, with the tip of the playground reaching 4 metres in height.

- 11 Upgraded paving and small adjustments to the path, arbour, stairs and southern entry area.
- 12 Accessible ramp up to the arbour with a passive garden to sit and read a book or reflect on life.
