

DEVONPORT TERRACE

2017 SURVEY RESULTS

TOP 6 PRIORITIES FOR RESIDENTS

1

SCREENING PLANTS

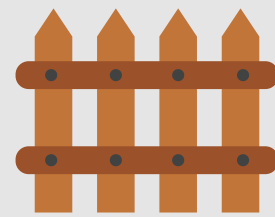

Improve the quality and number of screening plants

2

STORMWATER MANAGEMENT

Improve the stormwater management and local flood prevention by directing stormwater to the screening plants.

3

FENCING

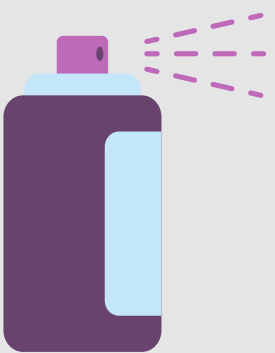

Improve the security fence to the railway corridor.

4

LIGHTING

Improve lighting and safety for pedestrians on paths leading to train stations.

5

GRAFITTI

Replace the "colourbond" fence to the west of the rail corridor with a chain-mesh fence to remove opportunity for grafitti.

6

PARKING

Improve vehicle parking and traffic management along the street (designated parking spaces)
